

William Rosell

Professional Experience

William Rosell is a Vice President at Doeren Mayhew Capital Advisors, where he works closely with clients to guide them through the intricate sell-side, buy-side and capital raise processes.

Leveraging his comprehensive expertise, he assists clients in analyzing company's readiness to transact, preparing for sale, running private-limited auctions, negotiating transactions and overseeing due diligence, among other things.

William has executed transactions across a wide range of industries, including energy, business services, financial institutions, distribution, staffing and maritime.
